VISION

At Derrinallum P-12 College we are building a strong and proud learning community, characterised by high expectations and energised by the powerful forces of collaboration, innovation and celebration.

At Derrinallum P-12 College all students and staff will have a strong concept of themselves as valued contributors to our learning community. Teachers' knowledge about what to teach and how to teach it will be constantly evolving in line with emerging understandings about how students learn best. Students will

understand and articulate the next steps in their own learning: what is my next level of challenge, how can others assist me, and how will I know when I have succeeded and am ready to move on? At Derrinallum P-12 College the curriculum will challenge students to think deeply and creatively, collaborate to solve problems, reflect honestly and often, and approach their individual and collective futures with confidence and optimism.
