Dear Parent/Guardian,

Derrinallum P12 College is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2025

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time.

The contributions of families in the past have allowed us to update our texts and readers to reflect current interests and passions of our students, supply materials to develop our mathematical knowledge and problem-solving skills, purchase materials to support the creativity and exploration in our Arts and Science programs and ensure that all students have access to equipment to develop active and healthy students. Some Secondary school classrooms have been painted late last year and freshly carpeted. A new basketball / netball activity space has been installed North yard of the school. This is a reminder of the great things we can achieve at school with the contribution of families.

Yours sincerely,
